BRUSH AND BULKY ITEM COLLECTION (BABIC)

CHAPTER 19: SOLID WASTE
ARTICLE II. MUNICIPAL COLLECTION AND DISPOSAL SYSTEM

Sec. 19-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

…

Director of health means the director of health of the city or his authorized agent.

…

Receptacle means any disposable container which may be discarded, such as plastic bags of not less than two-mil thickness, trash compactor bags, or any other weatherproof disposable container equal in strength and quality to the disposable bags specified or provided by the city.

…

Sanitation superintendent means either the superintendent of sanitation, his superiors, or his duly authorized agents.

…

(Code 1966, § 11-1)

Sec. 19-28. Frequency of Collection.

…

(c) Tree trimmings, old appliances, unwanted furniture, brush and other bulky items, collectively referred to in this subsection as bulky items, shall be collected and removed from every residence following a customer request for such collection service on days designated by the sanitation superintendent and approved by the director of health. Bulky items may not be set out for collection prior to requesting collection service. Collection service must be requested before the designated collection day. Bulky items scheduled for pick up must be set out at the front curb of the residence no later than 7:00 a.m. on the designated collection day.

(Code 1966, § 11-4; Ord. No. 3475, § 1, 8-23-04)

Sec. 19-29. Disposal of brush, shrub, lawn trimmings; trees, logs, boards.

Whenever brush or shrub trimmings, trees, logs, lawn cuttings or boards are placed in any designated location for collection and disposal by any person owning, occupying or controlling a residence or dwelling unit in the city, the following methods of placement of such material shall be utilized by such person:

(1) Tree limbs, boards and other rubbish not over three feet in length may be tied in a bundle or stacked in an orderly manner for collection. Each bundle must not weigh over 50 pounds.

(2) Brush, shrub and tree trimmings, as well as lawn clippings, shall be placed in a receptacle. Brush, shrub and tree trimmings shall not include branches or logs when said branches or logs are more than three inches in diameter or more than three feet in length. In no case shall brush, shrub and tree trimmings or lawn clippings be placed in a container exceeding 50 pounds in weight.

(Code 1966, § 11-5)
