

# Brush and Bulky Item Collection

Have you recently trimmed your trees? Are you considering replacing appliances or worn out furniture? Before you set these items outside, there are a couple of things you should know. To help residents dispose of brush and large bulky items, the City offers several waste disposal options including Brush and Bulky Item Collection or BABIC. BABIC is designed to assist residents with the disposal of large amounts of brush or other large bulky items.

Although BABIC is a free service, a homeowner or resident must request collection prior to placing an item on the parkway for collection. Requests for collection service can be made 24-hours a day, 7 days a week by leaving a voice-mail message at (972) 744-4111 or completing an on-line request at [www.cor.net](http://www.cor.net).

To learn more about BABIC requirements, please contact Community Services at 972-744-4180 or visit us on-line at [www.cor.net](http://www.cor.net)

Please note that the BABIC program is designated for residential use and business items or items from a business cannot be disposed of through the service.
