

Patrick Dickinson

Short Bio and Contact Information:

Patrick Dickinson is the Program Coordinator for the Texas A&M AgriLife Research and Extension Center in Dallas, Texas. Patrick has a Bachelor's of Science in Horticulture from Tarleton State University, is an ISA Certified Arborist, and has extensive experience in the Texas Horticulture industry.

Patrick is part of the Urban Water Program which focuses on water conservation and storm water issues through professional training, public education programs and demonstrations. Patrick addresses professionals and the public to provide the most sustainable information about landscape water use from design and plant selection to water conserving landscape management practices.
