Vendor Categories: (Check one)

Arts & Craft Vendors: - \$450

All items sold must be the original, handcrafted work of the artist or craftsman named on the application. Artist/craftsman guarantees the accuracy of the description of merchandise to be sold as work created by their own hands. Artist/Craftsman must be present at the festival all three days!

Buy/Sell Vendors: - \$625

Vendor provides a product that is not hand-crafted by the seller. This can include imports, retail or home distribution businesses. All vendors MUST be selling a product and not merely generating leads.

Important Information

 For entries to be considered they must include a completed application with signature and 5 high quality digital images individually attached in a jpeg format. Four (4) images should represent the work you will be selling and one (1) image of your booth. Any applications received after March 8 will be accessed a \$25 late fee.

 All applications are reviewed to ensure family-friendliness and to limit the number of similar products being exhibited. All selections are based on representation of the works in the images submitted and booth presentation is a decisive factor in selection.

 All applicants will be notified via email of acceptance/rejection on March 22. Accepted vendors will be emailed a contract, invoice and other required paperwork that will be due back by April 5. Accepted vendors will undergo a basic background check conducted by the Richardson Police Department. No refunds will be given after April 19.

 Wildflower! is a rain or shine event! No refunds will be given for inclement weather. Wildflower! and the City of Richardson will not assume responsibility for damage to or theft of your property.
